

# SMALL ENGINE PRO

MULTI - SYSTEM ADDITIVE

30ml  
TREATS  
3.7L OF  
FUEL

## MADE IN THE USA

STA-BIL Small Engine Pro is a multi-system fuel and oil additive compatible with all two-cycle and four-cycle engines. It lubricates, and protects in one convenient step to extend the usable life of equipment such as lawnmowers, trimmers, edgers, power washers, and more.

- Multi-system gas and oil additive
- Proven to restore lost engine performance by cleaning out gum and varnish
- Lubricates internal engine components to increase longevity
- Quiets noisy engines
- Prevents corrosion caused by ethanol-blended fuels
- Safe to use on ALL small engines

PART No.:22305
